CAUTION: External Email

Hi Coby,

Our Quality Assurance cannot issue a Form One for our vendor P/N.

My understanding of the situation is that Era was asked to return the part because the paperwork doesn't match the P/N. RA740 was issued to that effect.

On a side note, I've provided a letter to Mr. Fontenot (copied on this email) confirming that P/N D4652-5 is the DART P/N for AV357304-2. That letter was issued so that Era could create part number AV357304-2 in their system and link it as an alternate. Maybe this was done and can help resolve the situation?

Otherwise, the only alternative is for Era to return the part as per attached RA740. The parts are marked by the vendor with their P/N however, we can identify the parts with the DART P/N on a green inspection tag. Hopefully, this is an acceptable way forward.

If they send paperwork that has AV357304-2 on it instead of D4652-5 we can receive them.

We can't have a FORM-1 with D4652-5 on it when the packaging and the part have AV357304-2.

Coby,
Our Inspection team has rejected Qty 2 P/N D4652-5 (AIR VALVE (BLACK ANODIZE FINISH))
P/N D4652-5 is not on the part, only the manufacture P/N AV357304-2 Also, the Form One Dart has sent with the parts is showing Dart as the manufacturer.
As you will see in the picture BIRK AEROSYSTEMS CORP. is the manufacture. So the Form One Dart has sent us is not valid.

Please request a return for this.
